

ONE CALL NOW is the new automatic dialing system that is now being used by our district for special announcements, reminders for upcoming events & notification of absences in grades 7-12. This program also allows notifications to take place via text messaging.

Wireless service providers require parents & staff to opt-in if they you would like to receive text messages from the One Call Now messaging system. ***Please be advised that Message and data rates may apply.***

If you would like to opt-in to receive text messages: text **ALERT to 22300** from your cell phone.

If at any time you would like to opt-out from the text messaging option text **STOP to 22300.**
