## Safe Host Pledge

Please take the Underage Drinking Safe Host Pledge!

Keep young people away from alcohol and unsafe drugs by promising to do the following for your family:

- **I will** be a Safe Host by being a visible presence at any party or gathering of youth at my home and by providing adult supervision.
- **I will** keep all forms of alcohol and other potentially hazardous items out of the hands of children.
- **I will not** allow parties or gatherings in my home when I am not there.
- **I will not** allow young people under the legal drinking age (21) to consume alcohol on my property.
- **I will** welcome calls if my child is hosting a gathering and give them information about the level of supervision I will provide.
- **I will** welcome communication from others who observe my child involved with alcohol, tobacco, or other drugs.
- **I will** accept information about alcohol and drug use and abuse among underage drinkers.
