Re: "An Arm for the Arts" Fundraiser

---

The Music and Art Departments have embarked on a year-long fundraiser to help support our music and art programs. We believe that our music and art programs in the district are extremely valuable in helping students become well rounded individuals. We should all be proud of the Ogdensburg connection with the arts as evident by the fact that we are blessed to have facilities like the Frederic Remington Art Museum, the James F. Montpelier Art Gallery and Ogdensburg Command Performance here at Ogdensburg Free Academy.

This fundraiser is unique in that it will allow all community members to have a presence in our new state-of-the-art George Hall Auditorium by being able to purchase "An Arm for the Arts Plaque" that will be placed on a seat and will remain there for years to come. It is also a great opportunity to recognize a family member who has passed away. The arm plates are \$35.00 per plate and upwards of 40 characters (20 spaces, 2 lines) can be placed on the plate giving plenty of room for longer names.

Order forms are available in any of the district's school offices, on the district's homepage at [www.ogdensburgk12.org](http://www.ogdensburgk12.org) or can be mailed to you by calling the Superintendent's office at 393-0900, ext. 7. Please consider helping us keep our music and art programs vibrant by buying an arm plate and having a lasting imprint in the George Hall Auditorium.

Thank you.
